IF: Tell us what you think is the biggest challenge in hairdressing today?

To reach the level of Instagram pictures that have a lot of filters on a customer's hair in real life!

IF: What's the most enjoyable part of your job?

To satisfy the most pampered customers in the world.

IF: Why did you choose the path of hairdressing and was it easy to fall into this line of work?

Because there was no other option for us, so it was very easy to follow our dream.

IF: If you had not made the decision to be a hairdresser what would you have been?

They has never been another option for us!

IF: What is your greatest strength?

Luca: I am very brave when it comes to risky and major color changes

Svenja: I am very patient for the little things.

IF: What are your favourite hairdressing tools?

Luca: The Curling iron Ghd soft tong.

Svenja : The balayage brush from Framar.

IF: Tell us about your relationship with Iles Formula. How did you discover us and which formula is your favourite?

We discovered Iles Formula when we met Wendy in our salon and it was love at first sight.

IF: What was the most challenging job you ever had?

The Armani fashion show in Cologne. The stylist wanted different things, there were 10 models and we had to rebuild the hairstyles at the very last minute.

IF: What was your worst hair moment and why...privately or on set/stage or in the salon?

The Armani show!

IF: If you could style anyone's hair, who would it be ?

Luca : Kim Kardashian
Svenja : Marilyn Monroe

IF: Where do you pull hair inspiration from?

From fashion shows, notably the Paris Fashion Show.

IF: Your advice to young hairdressers starting out?

If it is not your 100 % passion leave it right now.

IF: Your first three thoughts if you hear the word “hair”?

Fun, fun, fun

IF: What convinced you about Iles Formula?

It works!

IF: What else would you like to see from Iles Formula? Or, are you happy with the product portfolio?

Hairspray would be great!

IF: Which trends from the past would you like to see again in the near future and why?

Big heads of hair because with big hair everything is more glamorous. The higher the hair the closer to heaven 😊
